Carol made motion to pass the March minutes as published. Liz seconded the motion and motion passed

We are adding APHA Amateur Ranch Horse Pleasure class to current Ranch Horse Pleasure slate of classes to our show.

Taxes done for the Club and given to Dixie.

SSA- \$1300 deposit just made. We are dropping the high selling stallion because there is really no advantage to having it anymore. We are saving \$400 by not giving that award. Bob wrote a letter to stallion owners to go out with contract. Dan has sent off info to more stallion owners.

Discussion on Professional Horse Services running our auction. Dan said that the SSA committee will meet with Denise Rees who will put a proposal together to do a fabulous video for our dinner evening. Dan believes that we have an opportunity to build this auction into something great. Jan brought up the possibility of hiring a great band that she heard at a crab feed.

The auction will open the night of the dinner. Tabled the discussion until we have a chance to talk to more people who have participated in this type of auction.

New Business- none

Jean made a motion to adjourn the meeting, Sandee seconded. Motion passed

Meeting adjourned at 8:30pm
