SSA- Bob reported that everything is set with Professional Horse Services, LLC to run our auction. Denise Rees and Ashley Thomas will be our liaisons with PHS.

Show Cmte- Show App is in, title page of premium and schedule needs to be sent. Show Cmte will have a meeting soon.

Sponsorships-starting to work on that this month

Old business-none

New business- Denise needs a filled out contract, info sheets and photos for each stallion to submit to PHS, LLC. We need a date to have stallions submit all info. Denise suggests Aug. 1, 2015 for deadline. People are super excited about having the auction online.

Lynn went to judges testing in April, David Dellon goes to shows and does a ½ day clinic with a couple events and allows people to participate to see what judges are looking for in the show pen and how to do their best at showing paints. Lynn will ask about fees, sponsorship, etc from APHA. Maybe join with Youth Club and put on an open show and possibly one of these clinics. Jean made a motion that Lynn get the information from APHA and we form a plan based on that. Dan seconded. Passed.

Jean made a motion to adjourn at 8:10pm Mary seconded, passed

Meeting adjourned at 8:10pm

Respectfully submitted,

Jean Ettinger
